[illegible]OGUE

TO[illegible]RIM,

G[illegible]ON,

[illegible]

There has been such a [illegible] for our Priced Descriptive Catalogue, that the edition which we had [illegible] has become exhausted, and we have therefore been obliged to issue this Abridged Catalogue; which will be found sufficiently useful for the majority of purchasers [illegible] for a season.

Our Nurseries now extend over 165 acres. The Stock will be found extensive, varied, vigorous and suitable to the climate. [illegible] tion is drawn to the Stock of Ornamental Trees and [illegible], which is very large and of first quality.

GLADIOLUS.

A collection of leading [illegible] to [illegible]

TUBEROSES.

A fine stock. $1.50 per dozen.

BEDDING PLANTS.

Such as Geraniums, Verbenas, Heliotrope, [illegible], Ageratum, [illegible] lowest market rates, ready from 1st May to middle of [illegible]

A large quantity of extra large Tents, [illegible] supplied.

Purchasers would do well to leave the selection of [illegible] as possible to us, as in such case only the best [illegible] and those most likely to give satisfaction.
